PAULINE VALGAEREN

STUDENT

My name is Pauline Valgaeren and I am 21 years old. I am studying Cloud & Cyber Security at Thomas More in Geel. I am an enthusiastic and positive girl who does not shy away from opportunities. Learning and discovering new things is really something for me and I like to share my knowledge with others.

WORK EXPERIENCE

Nike

2019 - Present

Since I was 18, I have been working at Nike in the summer as a student. Here I stand in the warehouse and make sure that packages are carefully sent to the right sender.

Mise en Place

2022- Present

Since April 2022, I have been working as a student at Mise en Place. This is an international catering agency with over 50 branches in 5 different countries. This job has helped me a lot in developing my social skills.
